“ Regenia,

I did not know your mother well but I know you. I remember all the nights in the hospital when I was with my dad and how you were always comforting and shared a smile or a kind word. You dont know how much that meant to me during those very challenging times in my life. I know your mother gave you those qualities and now I want to give those back to you and your family. May God comfort each of you and bring back the sweet memories of your mom and a life well lived. My prayers will be with you and the family and know that I share this time with you all. May God bless you.

“ Growing up on Gardner Drive every one knew Mrs Jones. For one, she was the mother of three beautiful daughters, Rhonda, Reginea and Judy. And second, she was a awesome cook. The Jones lived in the middle of the block and their yard was frequently the gathering spot for the neighborhood kids.
Betty Jean always welcomed us all.
She was a great lady and she will be missed by many. Rest in Peace and Gods Speed.

“ There are so many wonderful memories it would take me a lifetime to share. She was my mom growing up, filling the void of a mother I did not have. She treated me as her own daughter and even introduced me as her daughter to people. She was a very special woman and was there for me always! The Beach trips to Ocean Lakes, the Friday nights to Kmart, Bojangles in Conway, she would fuss at me and even threaten to cut my tail, just like her daughter Judy, I was her daughter in my heart and soul and I know without a doubt she loved me as her own! I was truly blessed to have her in my life! I love you Betty Jean!
