All of you are in my thoughts and prayers. May God speak words of comfort as you face the days ahead. I met Betty and Bo years ago and always enjoyed running into them and just chit chatting. She would always have that smile. Kevin, Angie and JadaBug, please know prayers are sent your way.

“ *Betty and Bo were like an extended family to my daughter and her children when they lived near them. The kids loved the animals Bo and Betty had in the lot by their house. I knew Betty loved Apple decorations and found something in TX I brought to her when I made a trip to visit my family. She was so gracious for anything you did for her. She was deeply loved and will be missed.*

“ Tonya, Kevin, Diane, Tommy I have know idea what you must be going through in losing what I think is the single most important compass in your life. I know your mom was that to you, too, and with this loss comes so many layers of heartache. Please know my heart is open to giving you anything you might need during this time of incredible loss. I am speechless. This loss is beyond words. Please know I am here for you morning, noon, and night. I can't imagine the pain you are feeling and if there was a way to take it away, I would. I would truly do anything to take it away. I am just so sorry. I love you
