“ Dear John and Susan, I am so sorry for the loss of your aunt. She and I became friends when I worked as a nurse at Presbyterian home. She was a very special lady. God bless you and your family.....Love, Roberta###imported-begin###Bob and Roberta O'Steen###imported-end##

“ Dear Harrison,

I was so saddened to learn of Betty's death. Our families go back quite a long way when your father and mine were friends. Mother and Betty were great friends, too, in spite of their age difference, and I always had a special place in my own heart for Betty, myself. I fondly remember the times she, Martha (Carnes), and I spent together during the last years Martha lived. Betty was a wonderful, bright, witty lady and she will leave her mark on many people. I extend deep and sincere sympathy to you and your family at this time, and I pray for comfort and strength for you that only the Lord can provide. In His love, Rachel###imported-begin###Rachel Adams Doyle Medlin###imported-end##

“ Dear Family,

My thoughts and Prayers are with you at this time. I was the President of the Mental Health Association some years ago and Betty was a Board member. She was truly a delightful person and a strong advocate.

Sincerely,
