We worked together during her time at Morrell's. I have seen her

“ To the Kelly family,
We miss Betty so much,we would be in Walmart and Bobby would call her from his cell phone and tell her to tone it down on the p a. She would laugh and pick at him.She would tell him not to take me out to lunch because I had to eat lunch with her.
I loved Betty like a mother, she was always so good to me. We took our morning breaks together and I would make her coffee, sometimes she'd bring us a sausage biscuit. Sometimes she'd buy my lunch, sometimes I'd buy hers.
I will always love and miss her.
I know she is no longer in pain, she can walk without help,but most of all she is with her Lord and Savior and her son Frankie that she loved dearly.
You all were life and her joy, she loved you all and talked of you often.
Keeping you all in our prayers,
Sandra & Bobby##imported-begin##Sandra & Bobby Pope##imported-end##

“ Granny I am gonna miss you so much!! I am so glad we spent as much time together as we did. You taught me so much growing up. I don't know what I will do without you. You were so much more than just a grandmother to me. You were my best friend. I know you are so happy now and no longer hurting. I had you here with me for twenty-six years, and my daddy only had you for twenty seven. Now the two of you are together, and knowing that makes this alot easier on me.
