“ Please allow me to let you know what I meant when I said "Maw you know what we did". When in the hospital we established a one blink for yes, two blinks for no communication and when we had time together we prayed to our Heavenly Father. We know MawMaw's Spirit was cleansed and God's LOVE was upon her. The room was filled with so much Love and Happiness from God, I pray every one was touched by it.##imported-begin##Russell Wacker##imported-end##
