“ *I just heard of Beverly's passing this morning and my heart is so heavy. I was privileged to have been asked to sing at her and Ronnie's wedding so many years ago and of course attend church with her and her mother and father at Thomas Memorial Baptist Church. I hold such fond and lasting memories of Beverly and I know she is rejoicing with the angels in Heaven. My sincere sympathy to her husband, children, and of course her mother, Carolyn. I hope you will feel God's presence and it will give you peace and comfort in the days and weeks ahead.*

“ *Love this lady. Back in the day, I would love to go by the flower shop and check out all the cool things she made. She brought smiles to everyone she met. I would call her from college and she would make flowers for my Granny and Mom for special events and she said we will settle up when you get home. We did and getting that hug and that smile made my days. She always looked out for my family and I am forever grateful to know her and her family. Sweet, caring, supportive, and loving family. She will be dearly missed. Hugs and Love from NC. Hugs and Love.*
