It has been 2 weeks since you left us and we think of you every day. You were such a wonderful person and one of the greatest highlights of our life is having known you. We hold to the blessed hope that we shall see you again when we too will lay down our cross and go home where we can live together in that new home. We love and miss you.

Mom we are so sorry that we were not with you when you decided fly to heaven to be with daddy and your Lord. This little dove is just a small reminder that you have flown through a wonderful life leaving a little piece of your heart with those you met. We have heard so many times that "we just love Miss Beverly" and that you will be missed. Your loving daughter and favorite son-in-law.

I just loved Ms. Beverly she was always smiling everywhere you saw her. She and Mr. Gunter were such a beautiful, loving couple who you knew without a doubt were very much in love. He was always a gentleman. Heaven has been richly blessed to have 2 such wonderful people come home. I was so happy to have known them not only as a manager in Applebees but also out and about Hartsville. God Bless you and your family at this time. Mary Ann Kelley.

“ *We are so sorry to read this news. Mrs Gunter was so kind and thoughtful. She invited us over one night when our power went out, and she was so good to our boys. She loved animals, too. We were amazed at her independence and truly hate that she's gone. The Johnsons*

“ My dear sweet friend, I knew from the first day I met you three years ago, that you and I would have a special friendship. I thank God for every moment he has given us together. We have laughed, we have cried, we talked about The Lord, and we have talked about things that no one would have cared about, but us.

You were such a kind, and giving person, and you gave clear to the end of your life. I know that when you met The Lord, He said "Well done my good and faithful servant" . Something I hope to hear someday as well. I have learned so much from you, and am actually still learning. You have truly been a blessing and wonderful friend to me, and I already miss you terribly. I will someday see you again, it is never good bye.

Jo, I want to Thank you as well for sharing your mother with me. I am also blessed to know you and Larry, and have you in my life. You both mean the world to me and I love you. Always here if you need me, please remember that.

Love to all

Lynda Simms
