“ Sylvia Ann, I am so sorry to hear of Billy's passing. He was my first sweetheart and I dearly loved him all through elementary school at Dovesville. He gave me my first kiss on the cheek in third grade. Thought I would die and go to heaven. A few years ago Ruth Byrd Wallace took me by to see him and I let him know that every April 18th that rolled around, I wished him a Happy Birthday. Can't print his comment to that but it was too funny. I've always had a soft spot in my heart for Billy and was glad we went to see him that day. Don't know of any other boyfriewnd that would come riding up with his dad in the pickup truck and leave a watermelon on my front lawn with my name carved on it. He was such a pretty boy and I adored him. My prayers are with you and your and his family at this time. I'm so thankful that God gave me the opportunity to know and love Billy all those very young years in my life.
