“ *I've known Bob all my life but I got to know him better when I married his nephew 30 years ago I thought the world of Bob . He was a good man if anyone ever needed him he would be there for them even though he would take his time getting there :-) Bob is with his parents and his 2 sisters that he loved dearly. I remember sitting with him and Peg many days when they would talk about their loved ones in heaven. Their in heaven where they will never have a pain again. Rest in peace Bob you'll never be forgotten.*
