I thank God for the privilege of having him in my life, his friendship was a blessing and I will always remember the time we spent together... We shared a lot of happiness and a lot of sadness... Words could never fully express our closeness, but the love is there...

“ My heart goes out to all of you. Adam, ryan and tyler and also the the rest of the family. Carroll was a good man and my dad Rufus Atkinson thought he walked on water, he was good to dad. If there is anything I can do during this time please let me know. I know what it is like to lose a parent, and I wish I could tell you it would get better but I still miss my mom. Just concentrate and remember all the good times as I am sure they were many of them. Keep God on your side and Carroll in your heart and never let him go, he will always be with you.

He gave them memories they will cherish. I think of the story he told me several times of being complimented on "those boys all have nice haircuts and a belt on" So often when I saw him he was looking forward to "dinner at Mama's" and I knew the whole big family would be there.
