“ Aunt Bonnie- you were always worried about other people besides yourself, you loved all of your family and you will be greatly missed! You always wanted the best for your family and wanted for everyone to just be happy and get along with each other. I know you are in Heaven with Cricket and Dee Dee now and you are at peace with no pain and no worries. I wish we would have had more time together, but God has his plan and he was ready for you to be with Him. We love you and miss you.
