“ I really enjoyed working with Eddie at *The Messenger* from 2003 to 2005. As a new journalist fresh out of college, he helped make my first newspaper gig one of the best jobs I've ever had. Eddie would always let me tag along with him to Darlington Raceway to cover races and meet the drivers. His SI calendars on the wall behind his desk made me laugh! He was funny and kind, and he absolutely loved his job. May God bless his family and friends during this difficult time.
