“ Sue and Bryan,

I was so very very sorry to hear the news about Brad. I know so very well that there is nothing I (or anyone) can say to ease your pain. Just know that I send much love across the miles to you two. If I were there, I would give you warm loving hugs; no words needed. Also I would advise you to re-live and enjoy your happy memories of Brad. Death can not rob you of those - it took me a while to realize that. Hope you can feel our love and sympathy from afar.
