“ I remember Brad when I needed a place to stay with an ex boyfriend and him and his wife Michelle let us stay in there barn. He was a character and no matter where he saw me he always spoke to me and asked how I was doing. He loved his wife na skids and grand kids and it saddens my heart to know he is now gone but no more suffering or worries cause gods got him now and he is watching over everybody he loved may god be with his wife kids and grandkids and family
