“ *Its been so long since I've seen your face
so long since our love has last bloom
but trust me when I say, I'll see you soon
memories last forever
like our night under the moon
but dont loose sight because, I'll see you soon
Your song to me is I Love You & it's my favorite tune
Baby lets keep this love alive & it'll never see it's doom
We'll pick up from where we left off, because I'll see you
soon.##imported-begin##eddie##imported-end##*

“ *I Miss You*
+142

*I never thought that I'm gonna miss you,
The friend I cherish and treasure like you.
I really never thought that I'm gonna miss you,
But here I am now missing you.*

*I remember the days when we're together,
We're like Romeo and Juliet as lovers.
Hangin' on the phone talking to each other,
But here I am now alone to suffer.*

*You make my world go round,
You make me hear sweet sound.
You make my feet standing firm on the ground,
But here I am now, missing you and so down.*

*Will you ever come back to let me stand?
Is there a time for me to hold your hand?
I hope that time will come that I'll never gonna miss you,
'Cos that time is the time I'll say that... I Love You!###imported-

“ I didn't get a chance to say goodbye To you, to tell you that I loved you, to say What now must be one long, unbroken cry Of pain, now that at last you've gone away. I cannot tell you what a joy it was To be the one to tend you in your need. The burden was a gift, for giving does Not burden one who loves, though loving bleed. I wish I could have been with you when you, Perhaps aware, perhaps not, turned towards death Alone, with no one there to wonder to, To share your fear, your hand, your one last breath. I wish, I wish, I wish . . . but it is done, And now I must surrender what is gone.##imported-begin##Mary##imported-end##

“ I know I have to let you go. How I will I do not know. I know that it's your time to die. What I don't know is how to say goodbye. I'll miss you so much I don't know what to do. I guess I'll just end this poem with a goodbye and an I love you.-##imported-begin##MARY##imported-end##

“ If tears could build a stairway and thoughts a memory lane I'd walk right up to heaven and bring you home again No Farewell words were spoken No time to say good-bye You were gone before I knew it And only God knows why.- My heart's still active in sadness And secret tears still flow What it meant to lose you No one can ever know. But now I know you want us To mourn for you no more To remember all the happy times Life still has much in store.- Since you'll never be forgotten I pledge to you today A hallowed place within my heart Is where you'll always stay. - God knows why, with chilling touch, Death gathers those we love so much, And what now seems so strange and dim, Will all be clear, when we meet Him. I Knew you for a Moment###imported-begin###mary###imported-end##

“ I lift mine eyes against the sky,
The clouds are weeping, so am I;
I lift mine eyes again on high,
The sun is smiling, so am I.
Why do I smile? Why do I weep?
I do not know; it lies too deep.
I hear the winds of autumn sigh,
They break my heart, they make me cry;
I hear the birds of lovely spring,
My hopes revive, I help them sing.
Why do I sing? Why do I cry?
It lies so deep, I know not why.###imported-begin###eddie " for all

“ *Until that day I'll think of you,
the love we shared, the memories too.
Until that day I'll think of you,
I'll try so hard in all I do.
Until that day I'll find out why,
you had to leave with no "goodbye".
Until that day this is so,
your family misses you, more than you'll know.
Until that day You'll be with him,
your God, your Savior, and new best friend.
Until that day I see you there,
you're in my heart, you're everywhere.*

“ My aunt is to me one of greatest person in this world,one of a kind and one in a million.

She has the biggest heart with the most caring touch,which she shares with so many of us.

Her soul is made of pure love,
yet she's worth way more than gold.

In my eyes, she will always be,
the most beautiful person to walk the earth.

To me she's one of smartest woman I know,
and it truly does show.

There is no one that compares to her,
no one that even comes close.

I appreciate all the advise she has given me,
I take it in with immense gratitude.

The memories I will forever cherish,
for they are priceless.

For all she has done, I will forever be thankful,
and my love for her only grows more with each day that passes.

On a high pedestal is where I hold her,
for I admire her so much more than she knows.

Having her apart of my life is the greatest gift of all,
being in her presence is god's blessing to me.

Looking deep inside of her,
I see that strong, wise woman I hope to become.

Giving, helpful, loving, caring, and kind,
is what defines her.She is not only my favorite Aunt but she is my
role model,and to be like her, would be my only wish.##imported-

“ Even though it hasn't been long
Since the day that you've been gone
People tell me, " time will heal....."
But not having you here seems so unreal.
I feel like I'm living in a dream -
Then reality hits.....and I want to scream:
You are my baby , my first born - my daughter
And with your short life, I know I wasn't done
With teaching and loving and caring that's true,
And all of life's treasures I wanted for you.
I keep thinking what would I do,
If I had another moment to say I love you.
How would I fill that moment I long of,
Except with words conveying my love.
I can't be thankful for what I have not -
But do try and be thankful for all I got.
The time with you so short and sweet,
You always were "mom's special treat."
Lord - my strength is ebbing from yesterday,
Please fill my cup of strength for this day.
Show me the stairway that I have to Climb,
Lord..... for my sake,
Teach me to take.....
One day at a time.##imported-begin## EDDIE" for you michelle love

“ You have gone, you've left me, why did you go away?
I've tried to figure out what I could've done that day,
But nothing can change destiny, no one is to blame.
And this so called life I'm living will never be the same.
So many things unsaid and things I didn't do.
But as long as I have memory I will remember you aunt brenda as
long as the rest of the family###imported-begin###eddie ###imported-

“ *Birth is a beginning And death a destination But life is a journey A going -- a growing From stage to stage From childhood to maturity And youth to age. From innocence to awareness And ignorance to knowing; From foolishness to discretion And then perhaps, to wisdom. From Weakness to strength Or strength to weakness And, often, back again. From health to sickness And back we pray, to health again. From offense to forgiveness, From loneliness to love, From joy to gratitude, From pain to compassion, And grief to understanding -- From fear to faith. From defeat to defeat to defeat - - Until, looking backward or ahead, We see that victory lies Not as some high place along the way, But in having made the journey, stage by stage. A sacred pilgrimage. Birth is a beginning And death a destination. But life is a journey, A sacred pilgrimage -- Made stage by stage -- To life everlasting*###imported-begin###*eddie* ###imported-end###

“ *During your journey on your final flight home.
White wings will carry you and you will be flown.
To the pearly gates of Heaven, where they will usher you in.
To the feet of your Lord, your Saviour, and your friend.
He will hold you in his arms and the angels will sing.
As another one of His children is delivered by white wings.*###imported-begin###*eddie* ###imported-end###

“ *When I am gone, release me, let me go.
I have so many things to see and do,
You mustn't tie yourself to me with too many tears,
But be thankful we had so many good years.
I gave you my love, and you can only guess
How much you've given me in happiness.
I thank you for the love that you have shown,
But now it is time you traveled on alone.
So I grieve for you for a while, if I grieve for you must
Then let my grief be comforted by trust
That it is only for a while that we must part,
So treasure the memories within your heart.
I won't be far away for life goes on.
And if you need me, call and I will come.
Though i can't see or touch you, I will be near
And if i listen with my heart, ill hear
All your love around me soft and clear
And then, when i come this way alone,
you'll greet me with a smile and a "Welcome Home".##imported-
