“ *Doyle I am so sorry to hear about Brenda. I will be praying for you and Brett. She was one of a kind. I remember when she got me to go to the Holiness church with her and she would tell me "i sit as close to the front pew as possible because when the Holy Spirit starts flowing I want to be one of the first to receive it." So many fond memories of her and her kindness. She will be missed very much.*

“ Dear, sweet Aunt Brenda. I will miss you so much. Friends, family please keep Brett and Doyle in your thoughts and prayers and please come around and see them. They are going to need love and support and God to get them through this horrible loss. How I am going to miss that southern voice, those silly jokes, and those sweet messages. Our relationship for the past few years has taken place across the miles, but you were always close to my heart. Fish that crystal sea with Race.
