I have such fond memories of Aunt Bunt from my childhood all the way to recent years. She was such a positive influence on our lives. I loved visiting her when we were young and loved having her come to Florida in recent years to see Grace (my mom) and all of us in Jacksonville. She will be very much missed. Love you Aunt Bunt!

“ Remember when Bronia Dell and Little Bill moved into the house next to ours, so many years before moving to “the hill”. We were always running up and down the path between our houses. Evelyn, Minivera, and Cherita and Jeffery were all younger than us, but we still had fun. Sending the family prayers and thoughts.

“ My heartfelt sorrow over the loss of a very dear and special friend. We shared so many years of good times working together. I know one thing for sure BRONIA DELL JOHNSON truly loved her family, I had the opportunity to meet many of them and you could feel that family love. She will be missed by all who knew her but never forgotten! This lady wore many hats in her years of nursing but the hat most important to me was FRIENDSHIP and that's the way she remains in my heart. May God place His arms about her family and comfort you during this time of sadness.
