“ Sue, We are sadden by the news of Bruce's passing. You and your family are in our prayers. I share this with you "The gates of heaven swung open today and brought his child home. Bruce was met with choirs of Angels and all those that have past before him. He was led to a table where he sat and feasted with the Lord. The room silent for only a second as the Lord said" Welcome my child, here you will never hurt, be saddened, feel hunger or pain again only Love and fulfillment. Let us rejoice now for my child has come home again." He has gone home to prepare a place for you someday. He is now there to watch over you as you have watched over him and everyone else. May the angels of heaven give you peace at this time and may your heart rejoice each time you think of him.##imported-begin##Tonia and Tyler Edwards##imported-end##
