I am going to miss your calls and being able to help you with your phone. I am going to miss your surprise flowers and cookies when you come visit my store. I'm really going to miss the hugs.

You truly are a great one. The world lost a little bit of sparkle the night you died. I miss you buddy!

“ My prayers and my heart and thoughts go out to you, Marylin, Vivian, Robert and Kevin and to all family and friends! I love you all so much and I will forever be grateful to have had the amazing opportunity to have pretty much spent my childhood and beyond growing up with Bryan and of course Robert and Kevin! Bryan was always more like a big brother/best friend than " just a cousin " and the same for all of you! Bryan truly loved everyone he knew and he certainly always showed that in so many ways! So many wonderful memories of boating, fishing playing video games and all the way back to the good ol rope swing days :) at William and Vivian's old lake house ... man were those the days! May God Bless you and be with you all during this time!

Sincerely and with deepest sympathy.
