“ *Bryant Edwards was an easy person to work with. He had a good sense of humor. I enjoyed working with him and I think I was better for having worked with him. I remember him when he worked in the office and on Unit No. 1.*

Rest in Peace, my Friend.

I enjoyed Bryant's wisdom and friendship for several years.

Here's to Bryant Edwards. A man short of stature, but chose his own way, picked his own parachute and tied it himself.
