“ Frank and I thought so much of Mr.Buck. I can still see him sitting in his truck with that cigar. We had a cook out at our house and he came. We were so glad to see him. He'll not only be missed by his family, he'll be missed by his friends.##imported-begin##Frank and Dianne Plyler##imported-end##

“ My father-in-law was like a father to me, I had a daddy but Pop was more of a father to me than my own. I loved Pop very much, he done alot for me, he was always there for me if and when I needed him. I done everything that I could for him while he was living, I done what I could to make his last days as comfortable and enjoyable for him that I could. I was thankful to know that he was going home to be with Jesus and I look forward to seeing him in Heaven. I will miss him very much, but I'm thankful he's not suffering any more. He wanted a phone so that he could call the Lord to take him home. He wanted to go home to be with his mama, his wife and other two children. I pray that he has found his peace. I will miss Pop very much.##imported-begin##Shirlene Dixon##imported-end##
