“ I met your father through the friendship you shared with Matt. I can honestly say I know of no other father more devoted to his son. Your father's eyes were not big enough to see you. Every father has dreams for his son. In looking at you and seeing what you have become, you have certainly fulfilled his dreams. He was a good man. I am proud to have known him and called him my friend. Remember his advice and find comfort in knowing he is in a better place.###imported-begin##Eddie Moore###imported-end##

“ Bucky Jr,
I knew your Dad a long time ago, about 35 years. I worked on the beach the summer of 1970, and met him in Florence when I lived there from 1971 to 1973. We enjoyed riding motorcycles together then. I live in Mt.P and would love to meet you. Your Dad was a great guy, a lot of fun to be with, and a good friend. Call me sometime and let's grab some lunch. My cell # is 224-3274. “ To Bucky's family. Bucky has been a close and valuable friend to us. We have so many good memories of him. We are so very sorry to hear that he has left us but he will always be in our hearts. My little boy of 2 years old used to say to Bucky when he saw him these words. "Buckbuck want pep pep?" and Bucky would go to the store and get him a pepsi.
