“ Sending love, thoughts and prayers to Kaye and family members. Growing up in Hartsville, I remember Carol as a sweet girl. We went to church together at 1st Baptist. We cannot feel life's losses without first feeling the blessings of its fullness. May your faith, along with the love & prayers of friends give you peace & comfort. Love, hugs and God's blessings to each one of you.

“ I worked with Carol at Carolina Pines and she had the biggest "crush" on my husband and always flirted with him! Haha. She brought me many, many smiles and I will truly miss her wonderful sense of humor! She always made my day just a little brighter! My prayers are with her family as I know she will be greatly missed.

“ Having known Carol all her life, it makes me very sad to know she will no longer be with us. The comfort is in knowing she is NOW with her Lord & Savior and her family & loved ones who have been waiting for her. I remember so well, Monday, September 5, 1990, when I was called & summoned to Byerly Hospital. I was told my younger sister, Annette Stratton has been in a serious auto accident. Little did I know that her soul had already winged its way to Heaven. The first person I saw when I walked through the ER doors - was Carol. One look at her face told me the truth. She held on to me as I cried and she cried with me. That's just one of the many kind acts she performed for me and everyone else who was acquainted with her. I will miss her.

“ I have known Carol all my life. Grew up right down the road from Carol. Sweet lady. Glad her body is now whole again and she is in the presence of our Lord and she has been reunited with her baby girl! She was my Mother-in-law's roommate at the nursing home. She will be missed. Our thoughts and prayers are with her family.

“ I was fortunate to have worked with the Queen of CP for several years. She was such a unique individual. At first I was a little intimidated by her, but once she got me trained I loved her dearly. She would always come to a friend's defense. She was a wonderful lady that has a new crown now to wear. Until we meet again, love you Mrs. carol.

“ Carol Sparrow's family and my family (Wadsworth) have been neighbors for 4 generations. Carol and I learned to walk together. When Kaye (her sister) got her driver's license, she drove us to First Baptist for choir practice. Dr. Davis Sanders baptised us together. When my son Jim Walker died, Carol stayed by me daily for a while. We were friends for over 69 years. I visited her Sunday in Morrells. She only responded when we sang 2 hymns that we knew from our earlier days. She reached her good hand out and held the hymnal during those 2 hymns. Carol is with our Lord and her daughter. I can hear Carol singing in Heaven. She sang a lot of solos in Thornwell School and in First Baptist. My prayers are with Trent, Ellie, and the family. Becky Wadsworth Walker, Durham, NC

“ I was lucky enough to be in the "Queen's court" at Carolina Pines. She always told me that I would be next in line because I was just as mean as she was, lol. I didn't find her to be at all as tough as she wanted people to believe. She was different no doubt but that is what made her so special. One of my first memories of Carol was over 26 years ago, with her defending me against an irrate patient. We eventually ended up being "cubby buddies" before her retirement. She definitely made the work day interesting. She kept us straight with her "grammar corrections" and manners. She was something with her matching shoes, pocketbooks, and umbrellas. There will never be another Carol Sparrow for sure, she was a special lady. The Queen has retired her crown but she will live in our hearts forever.

“ There are no words to adequately describe Carol. She loved her friends, she defended us no matter what. Her spirit, stories, jokes and wonderful habits were "only Carol". I loved her dearly and will always remember her. I hope she is dancing in heaven, minus the tassels. One of her best jokes with Dr. Bannister. Praying for peace for her family, there are a lot of us out here.

“ Lots of great years spent working with Carol at Carolina Pines. Not many dull moments when you were around her. She was truly "one of a kind" and I am very grateful for all the memories we all shared working together. She's a "Queen" in Heaven now!!

“ My heart aches for the loss of Carol. I worked with her many years at Carolina Pines. If you knew Carol you definitely had to love her. She was one of a kind for sure. Always dressed perfectly with matching purse and umbrella. Lol! I will always treasure the little talks we had. I would roll my computer chair to her cubby and we would have our daily chats. She was definitely a knowledgeable woman and on several occasions she gave me very helpful advice. We would always call her the "Queen of the Pines. " She was a good person and will surely be missed. My thoughts and prayers have been with her and will continue to be with her family and friends.
