“ To Frank, children, and most beloved McKenzie family: I am so sorry to hear about Carolyn. She and Brenda always felt like my big sisters growing up, as I was always at your house. She was so much like your dad and JC. She could make you laugh and "she could tell it like it is". She gave good advice. She was full of life, grace and spunk! I remember so well, us planting grass at her and Frank's first home. She and Frank were made for each other. Frank, you are a special man, and I know you are well loved by your family and friends, as who could help but love you! Children, you have lost someone who can never be replaced and you will always miss her. But be assured she is watching over you and loving you from above. She will help guide you as never before, as she will have more power now, than as she had on this earth. I pray that God will comfort you all during this time and in the future. When you think of her don't feel sad, just remember the good times you had together. Some day you will join her and have the biggest family reunion of all! May peace and love be with you all. Love your friend forever, Cathy Williamson Lynch.

“ Mary and the entire family, I am so sorry for the loss you are feeling now. I wish I could remove your sadness, but you can't love someone and not experience the feelings you are at this time. Carolyn was such a big part of my mother's life, getting her hair "just right" every Thursday for so long. She was always there for me when I needed her, as well. Then, when she could no longer work, Mary, you stepped up for me and Carter, for mother. Mother loved Carolyn and so did I. I pray that you all receive the peace that passes all understanding that comes only for our loving God. My love and prayers come to all of you. In Christ's Love, Gloria Beckham Butler

“ On behalf of Embrace Hospice, and the Howard Family, I would like to express a heartfelt sorrow for your loss. Mrs. Carolyn was always a beautiful lady and she will be greatly missed. Thank you for allowing us to be part of your family and care for Mrs. Carolyn. I trust the family will find comfort from the words in the book of John, that reminds us in My Father's house there are many mansions; if that were not so, He would have told us and He has gone there to prepare a place for us and He will come and receive us that where He is, we shall be also. Family Jesus is the way, the truth and the life! This earth is not our home and we are only passing through this land, so hold on to the promise. My prayer is that God will hold you all close as you press on to see Mrs. Carolyn again.
