Pee Wee, girls and Lee, I am so sorry for your loss of Diane. Two things I will remember her for is the smile she always had and her love for Christ. May God comfort each of you as only he can. All of you are and have been in my thoughts and prayers.

“ Heaven has certainly gained another beautiful angel! I knew Dianne when I was a child and our families were friends. I remember spending the night at her house and she helped me roll my hair in aluminum rollers. I know some of you young people can't imagine aluminum rollers that aren't the hot rollers, but we had them when we were little. She had a smile that would light up any room, and was just as caring and good as her smile was bright. She loved her brothers and family very much. I know that you will miss her everyday, but rest assured that she is with God now and you will see her again one day. May God comfort you all and wrap you in HIS tenderness during and beyond this time.

“ Pee Wee, Alicia and Lee; Diane was one of the sweetest ladies I have ever known, as we grew up going to the Hartsville Congregational Holiness Church together. her friendship has lasted through the years. She took me with her to see her mom several years back, and she just loved bragging about her Mom's Ice Box Fruit cakes. I don't think she has ever met a stranger, She was the treasure beyond treasures, a pure heart of gold. She will be missed by all who loved her. my thoughts and prayers are with you all as you face the days ahead. Always reflect back on the memories that you cherished with Diane, They will last a lifetime. Diane was a Short little Angel with a big heart. With love and prayers from Grady and Melva O'Neal and Betty Polson
