“ Carolyn was my sister-in-law for 23 years. She welcomed me with open arms from the beginning, and was always good to me. I loved her. The reason I loved her the most was because she loved my son Dylan so much. Carolyn and Byerly have always loved Dylan unconditionally, like their own, and I will always love them for that. We will miss you so much Carolyn.##imported-begin##Jeanie Andrews Altemose##imported-end##

“ To all the family and friends...Thank you for all that you have done! Thank you for the prayers for that is what will continue to get us through!
To my mother...You will be missed greatly! I have peace in knowing you've received your new body and pain free. You were the best mother a daughter could ask for and I thank you for teaching me to be a wonderful wife and mother! My new promise to you is to walk proudly with Jesus in my heart and live my life as Jesus would want so that I can be sure to see you again someday! I know that you will shine down on us and protect us as you always have! I love you and you will always be in my heart!!!! Death doesn't erase memories...##imported-begin##Casey Milbee##imported-end##

“ Byerly,Herbie,Casey and all the family,
Our prayers are with you during this time and in the days and months ahead.
The void that you feel with the passing of Carolyn(your wife, mother and friend)can only be filled with the presents of God. He is always there for you by just calling on him. Just think that the pain she was in is no longer there. May God give you peace and strength to face each day. If we can be of any help just call. GOD

“ Byerly, Herbie, and Casey your wife and mother was such a dear sweet person. I work with Carolyn and she always had a smile on her face. Carolyn went to heaven on the wings of angels. I can see her smiling face looking down and saying don't worry about me because I here in the arms of my Father. I pray that God will pour his love upon you and keep you until you reach the golden shores of Heaven. God Bless you is my prayers. ##imported-begin## Pam Smith ##imported-end##
