“ *I would like to thank everybody for all the precious things you have said on Mom's Tribute Wall. Sherry and I feel so lost now. Everything we did revolved around Mom since Dad passed away three years ago. This is a very difficult time for both of us. But the support of friends and family is helping to ease the pain. Again thank you and God Bless each of you. Michael P. Stewart and Sherry*

“ *Michael, your Mom and Dad were like second parents to me while we were growing up. Your Mom had a heart of pure gold. There will always be a void in my heart without the sound of her sweet voice and contagious laughter. Know that we've all lost a very special lady. I'm so thankful for the warm memories I have of years gone by, of riding my bike to your house and walking in to find your Mom at the stove cooking or canning something. It was also a pleasure to see her smiling face at work each day when we were at Coker's together. Know that my thoughts, prayers and love are with you during this very difficult time my friend.*

“ Mike I am so sorry to hear about your mother I worked with Carolyn at Minnies for many years and always enjoyed talking to her at Belks and one thing for sure she loved you and your Daddy so much. Please tell your Aunt Peggy how sorry I am.

I enjoyed having Caolyn wait on me at Belks as she was very good at helping me pick out the right clothes to match and telling me interesting stories about her family and home. One night I remember giving her and Mr. Stewart some advice about picking some items at BiLo. I remember also his years at the barber shop. I am sorry about her passing but am glad she is in a better place now.

Remembrance

Remembrance is a golden chain

*Death tries to break,
but all in vain.*

*To have, to love, and then to part
Is the greatest sorrow of one's heart.*

*The years may wipe out many things
But some they wipe out never.*

*Like memories of those happy times
When we were all together.*

“ Mike, I am so sorry to hear about your mom. She was a beautiful and sweet lady! I don't think I can make it to the visitation or funeral because my mom is in Carolinas Hospital in Florence and I have been going over there every day. This last stroke has left her completely paralyzed on her left side. I just wanted you to know I will be thinking about you and will keep you in my prayers. Love ya!
