“ *Mama, I know you don't read these comments, too much rejoicing in Heaven going on, but it helps me a little to write you sometimes. How can I not write you on this Mother's Day ? I miss you every day. This year you (and Daddy) are in heaven celebrating with my son. My first Mother's day without my Eddie Poo! Im so thankful that I still have (my hubby Eddie) and I have my Kaela and I have Lexi but my heart is so broken in missing him. It is hard and questionable but I do trust Him and I know He always knows best. A Happy Mothers Day hug to you and please give one to my son from his Mom, I love you Allene,*

“ 43 years ago today I was in the 6th grade. An announcement came over the classroom speaker that I had a baby brother born today. Allen Mixon Jr., who is still spoiled to this day.

10 years ago today, my phone rang and it was Darlene telling me the bad news of you not waking up and EMS was there.

I miss you every day Mama. I still hear your voice in my head and heart. I am so glad you are in peace and no more pain but I sure would love to see you and you see my Grandboys. And again, I know you want us to come to heaven with you instead of you coming back here and that's how we want it too! We all kissed a balloon we sent you on Mothers day Sunday and watched it fly to heaven as far as we could see it...

I love you! I sure would love to sit at the table again with you with a delicious meal you always prepared. I don't know how you did all the things you did for us over the years but we appreciate it still.

We had our church Christmas program sunday night and I know if you were here you would have been right there. You would have loved it and told us to stop making you laugh so much cause it hurts to laugh. I am so glad you are not hurting anymore! Your picture is on our christmas tree. Your little christmas tree is on my porch and you have a shiny new one at the cementary. We miss you ...especially times like this. So many memories... Please keep watching over us all. Kaela misses you all the time too. Merry Christmas Mama. I love you and I wish I could talk to you one more time.##imported-begin##your daughter, Allene##imported-end##

“ If I only knew this time last year what I know today, I would have been at your house today instead of waiting until tomorrow. Tomorrow will make one long year since you have been gone. Sometimes it don't seem that long and other times, it seems like a 1,000. I miss you every day. Mother's Day was really hard without you. People tell me it will get easier but right now I don't see how. So much I want to tell you. I want you to know my grandson and how he already at one year old, is such a little clown like Lil" Eddie. Kaela misses you alot. She is still not used to you not being here. You should see Eddie's garden, you'd be proud. I know you are in heaven and not worried about any of these things and that is how it should be, but I do know you would care. Tomorrow is also Allen's Birthday. We are gonna try to celebrate it with him like you would want us to. I miss you mama. And most of all, I am sorry I was not there when you passed away. I was on my way, but time wouldn't let you wait. I love you!##imported-begin##Allene##imported-end##

“ This coming Saturday we would be celebrating your 62nd birthday with you.

I would be trying to find you the perfect cake (as you have always firmly believed everyone should have a cake on their birthday as you always did for your kids), but no cake this year....you are not here to enjoy it. But I do know if there are cakes in heaven, you will have one much better than I could ever pick out. Mama I miss you so much. There is so much stuff I wish I could tell you! Jacob is so cute and smart. This month He will be one! I know you already know that because you (and Jesus) are looking down at us and keeping watch. Happy Birthday Mama !! You would be proud of the birthday ad we all put in the paper.

I gave Darlene your car this past Sunday. Austin was just a smiing sitting in it. I hope you are pleased!

I miss you Mama and I love you! Things are not the same without!!!!!!##imported-begin##Allene##imported-end##

“ Mama:

It has been almost 6 mths since you left us and went to be with Jesus. I know you are so in a much better place , but I sure do miss you. How am I gonna cook a thanksgiving dinner with out you telling me how to do it or even you cooking it this year? How am I gonna get through Christmas and you not here to buy an ornament for as you always made me do (Haha) ...so you wouldn't take mine from me. I miss you so much! Our church's homecoming is this coming Sunday. You are usually here bugging me AND helping me with that. I miss you everyday!

But I will try my best to meet you in Heaven one day with all of our family. We all miss you !

I Love You! More now than ever before!##imported-begin##Allene##imported-end##

“ Allan, Tammy and Family, I am so sorry to here about Carolyn. I remember when she was staying with mom (judy)how me and her and Shannon would stay and listen to the radio and laugh for hours. She really spend alot of time with us when we were kids. I loved her so much she was the kind of person who could really bring a smile to your face. She was kind of like a second mom to us as kids. She was always there, I know she will be missed dearly. There is nothing anyone can say to ease your pain. But just know you are in our hearts and prayers, Anything we can do just call. And katelon aunt Angie and Uncle Dale love you. You have lost more than a child should have to loose in a lifetime but we all love you so dearly.We love you to Chase and hope that you will find the strength to get pass this difficult time . The loss of a love one is a hard thing to grasp but with family and friends you will come out much stronger. She will always live inside all of your hearts and that will never die.
