“ Wanda,Robert,Chris,and Rob,
I am so sorry to hear about Granny. She was a wonderful lady that loved all of you dearly. She was always a joy to be around. I will miss seeing her walk around the neighborhood. We all know she is walking in a much better place today.I am sure Nang has already found her and showing her around, asking her about Rob. The road ahead will be hard Wanda, but I am right down the road if you need me. I know what you are going through. All of you hold those wonderful memories of Granny close to your heart and she will always be with you. I love you all.
