“ Robert, Melanie and family please accept my sympathies on the passing of Nancy. I always found Nancy a fun and entertaining person to be around and she sincerely cared about practically everyone she knew and she knew about everybody there was in Society Hill. I am proud to call Nancy one of my good friends and she will be not be forgotten in the town she so loved! She loved her family, her church and her hometown and in some way she will always remain a part of our community. I have a medical appt. early tomorrow afternoon and I will try to get back in time for the service. GOD BLESS !
