“ I have finally found a place to live, in the presence of the Lord...Blind Faith.
One of my favorite songs. It reminded me of the way Bryan always had his Bible with him. I can see him now, sitting in his van, reading his Bible..a look of peace on his face.

Faye McGovern - August 28, 2018 at 09:11 AM

We had bible study every night, he would always read out of proverbs. The bible was the only book he cared to read! I'm trying to teach our children the same... and keep his memory alive.

“ Bryan was quite the comedian when we were kids. As adults we lived our own lives, but he would call me out of the blue and it was always great to talk to him.
