“ Dear Susan:

*I was so sorry to hear that you lost your mother. Even though we all must face the loss of our parents at some point in our lives, I cannot even imagine what you are feeling. You know that I consider you one of my great life long close friends and I am so sorry that I haven't been there for you during this difficult time. I guess you know that I have been in Atlanta with Caroline @ Emory for treatment for her cancer otherwise, Suzanne and I both would have been there. Moma cannot do much for herself and Debby has Moma and Caroline's dog to care for 24 hours a day since we are in Atlanta. I keep you in my daily prayer and I love you and want you to know that I am only a phone call away. You can call me anytime day or night to talk. Call me on my house number or call Debby and get my cell number which is a local call. We have unlimited long distance on the phone in Atlanta so we can talk, talk, talk. Call me. Take care of yourself and let me know how you are doing. Love, Rebecca##imported-begin##Rebecca Skinner-Fulmer##imported-end##*
