“ Every time I see a butterfly, I know it's you, mama, simply reminding me that you're still with us. I can't believe it's been 16 years since I lost you. It still feels like yesterday that I lost not only my mom but also my best friend. Mommy, you would be so proud of Perry, Mike Mike, and Gracie—they've all graduated from high school. I miss you and love you with all my heart, and I believe I will see you and grandma again when you all are waiting for me at heaven's gates. I LOVE YOU, MOMMY!!
