“ Frances and family I just learned of Cecil's passing today. Please accept my sincere condolences and you are all in my thoughts and prayers during this difficult time. My memories of Cecil go way back to when he and y'all would visit the store almost on a daily basis. He was a good friend of my father and they would talk every night at the store about farming etc.etc. What great memories, good times we all had. He was a very good man that will be missed in our community, but we know he is in a better place now. Sorry I will not be able to make the funeral tomorrow, have a doctor's appointment. May God bless.
