“ Anne & family, I was so saddened to learn of Cecil's passing. I remember him so well from high school and while working at Sonoco. I know you'll miss him terribly. You loved each other so much and he took care of you for a long time. I wish we could be there, but Harry & I are unable to make such a long trip right now. We're praying for you & your family - for God to give His peace & comfort during the days ahead. Much love.
