Bennie, Jennifer, and family:

I was very sad to learn of Celeste's death and shocked that I had not heard before last night (June 29). I have had her on my mind alot recently. I used to see her and Bennie uptown and at Shoney's, but haven't seen them in a while and wondered if things were OK. We had kind of lost touch over the years, but we had some wonderful times together when we were younger. She was the kind of friend, who even if you hadn't seen her in ages, you could pick right up as if you had just seen her and visit for hours. She loved to laugh and it was contagious. If you were her friend, she stood by you, no matter what. Celeste will always hold a special place in my heart. She was a sweet, loving, and caring person and will be missed by all who knew and loved her. I'm sure she is soaring with the angels above and finally free from her pain.

“ To the family of Celeste,
I am so sorry to read of the passing of Celeste. It always breaks my heart to hear of a classmate leaving us. We spend so much of our youth together. We all take different paths; have families jobs, and we become memories to our friends.
I pray God will give you the comfort and strength you will need today and in the days that follow. My thoughts are with you.

“ My dear Jennifer, I am so very sorry to hear of the loss of Celeste. She could always lift me up when I needed a lift. She was an angel on earth, she made life better by just knowing her. I was blessed to call her family, and privileged to call her friend. I could always count on her to bring a smile to my face, dry my tears, and make me laugh before ending a conversation or leaving her presence. She was and always will be MY CELESTE! Love and Prayers to you and Bennie!

Mr. Bennie & Jennifer, I am so sorry for the loss of Ms. Celeste. My heart breaks for you. I always enjoyed running into yall and talking. Mr. Bennie when you were sick and you and my daddy had some of the same health issues, we compared notes and yall were a comfort to me. I will always remember the kindness from Ms. Celeste and the love she had for you and Jennifer and the grandkids. Mr. Bennie, I know this is so hard for you and if there is anything I can do, please let me know. I would often think about you & Ms. Celeste and will continue to think of you & Jennifer as you go through this time..I chose to post a butterfly because of their beauty and when you see one it will remind you of her beauty.

“ Jennifer and Uncle Bennie, So sorry to hear about Aunt Celeste. I will always remember the good times with her as a little girl. Staying with her and Betty-Sue, going uptown and to the movies and making cookies and cupcakes , eating sour cream and onion potato chips. And her starting all of her nieces and nephews on chocolate covered bananas. I pray that she is finally at peace with all of her health problems, and I pray that she is walking with the Lord now and with all of our other lost family members. I love you all God bless.. Dana
