“ I remember when I was nine or ten years old and I was walking home from Hamricks store back to the old shop. There, sitting on the side of the road, was an old go-cart for sale. I knew I didn't have enough money for it, and my mom wasn't going to buy it for me to kill myself on, so I kept walking. When I got back down to the shop Papa heard me talking about it. He took me down there, bought it for me, and painted it blue (my favorite color). That's the way C G was with his family. If there was anything he could do for you or help you out he would. This also applied to his friends. If you were C G Gainey's friend he would give you the last dollar in his pocket to help you out. Other than taking care of the ones you love, he taught me how to work hard and to be honest. For as long as I can remember I have always seen my grandfather working hard. From working on and selling cars, to clearing bush, bailing hay, or learning to fly a plane he was a man full of life. He was always trying to make his life and his family's life better. I know he has made me a better man because I had the blessing of having him as my grandfather.###imported-begin###Hank, Trabelle, Brooke, Erin, and Bobby###imported-end##

“ Please accept my sincerest condolences on the passing of a truly wonderful gentleman. I have known CG for many years through the auto business and at the auction in Darlington. He and I had a wonderful and funny conversation just last week while he was at the auction taking care of some business. He spoke very lovingly of several of his family members and memories of the past. It was an honor to have known him. May God shower your family with His loving mercy at this time of your loss. This man will be mightily missed by many.
