“ Vernon, Edwin, Beth and grands - Harry & I are hurting with and for you. All of you have been such a vital part of our lives for so many years. Charles had such a dry, subtle wit that sometimes, even knowing him so well, I couldn't tell if he was teasing or meant what he said. We will surely miss him. Vernon, I honestly don't know what I'd do without you to keep me in line. Your advice, your compassion and your prayers have kept me going when I felt I couldn't take one more step. Thank you for being my friend, for loving me and praying for ME last night. Take comfort in knowing that your dear husband is safe in God's loving arms. Harry & I are praying for all of you and know that as long as we have our memories, Charles will never completely be gone from our midst.
