Richie you were a one of kind person, there will never be another person like you in this world I thank you from the bottom of my heart for watching out for my child and you are missed already by so so many people. I really dont think you ever knew how your life impacted the people lifes that you came in touch with. you were a sweet and very kind loving man and I really dont think that you really knew how your life made a different in other peoples lives. For the Family that you have left behind no words can express the feelings of how you are dealing with this loss and saying so sorry is just not enough words to describe the way people felt about your brother, so being said that I will leave you with only one word or maybe a few Rest peacefully knowing he is in heaven and flying high with all the Angels in Heaven today and for eternally . He was a one of kind person and no one can ever take his place in anyones hearts that he touch just know he was loved by so so many people. FLY HIGH RICHIE AND SAVE A PLACE FOR THE LOVED ONES YOU LEFT HERE ON EARTH MY SWEET PRECIOUS ANGEL AND YES YOU WERE A ANGEL TO ANYONE AND EVERYONE THAT KNEW YOU. REST NOW UNTIL WE ALL MEET AGAIN.
