“ *Fran,  
We were so sorry to hear of your loss, I had no idea until today that your husband had passed, I truly regret that we are neighbors and never even visited one another and I never had the pleasure of meeting him, but from reading here and seeing the people pouring out of that church today spoke volumes. I'm sorry I did not know or I would have been there, but please don't hesitate if you ever need anything. I would love to visit sometime when you are up to it.

“ I graduated Flat Creek High School with Charles. I called him Lingle in school. We were a very close class and Charles was always in the middle of everything. He could always make us laugh. I am very sad to know he is gone but of course we will see him again one day in a much better place. I will remember you in my prayers. We couldn't get him to come to our reunions and we really missed him. Whenever I think of my school days I will always remember Charles and the "good ole days" of Flat Creek. If we had known in time a group of us would have come to pay our respects. We spent last night remembering him. I thought a lot of Charles and he will be missed by the Class of '65. He was a good person.

“ Just wanted to let you know that we are all thinking of you. We have had the opportunity to visit with you when our puppet ministry travels to Hartsville. To us you are known as Aunt Fran and Uncle Chuck. Pam, Dean, Erin, and Michael are sooo special to us all. You all are too!! The last time we dropped in to bring Erin to Hartsville you all had a good game of Trivial Pursuit going. It is the times like that you will remember.
