So sorry for the loss of Charlie. May God Give you comfort in the days, weeks and months to come. Darlene loved Charlie so much and she was my dear friend. Always talked with her every night when he was in MUSC. Your video was so meaningful for me to watch. Reminded me of all the love they shared and of how much they loved Thunder. Thanks for sharing a beautiful video of his life. Jennie Sellers;

Kayrina & Vicky: Thanks for sharing the video of your dad. It brought back many sweet memories of Charlie, my dear friend, Darlene and of course, the one and only "Thunder". I would see Charlie in his truck and "Thunder" would be sitting next to "his master"-how sweet. That would bring a big smile to my face. Please know you are in my thoughts and prayers now and in the days ahead. Love, Carol Bryant

“ It saddens me deeply to hear this news of one of my closest friends and mentors that I have been friends with for well over thirty years. My heart goes out to Katrina and Vicki as well as all his family with hopes that they get through this with as much strength as I know Charlie would want them to have. He will always be remembered by me and I'll never forget all the good times we had and all that he taught me. I loved Charlie Sams and will never forget him. Rest in piece my friend.

“ I have so many memories of "Uncle" Butch and "Aunt " Linda... great times in Virginia, as well as Ashland. I'll never forget when they got a microwave and we all had to visit and check it out...many years ago! Kevin became fond of him, as soon as they met. I know he is reunited with many loved ones right now, and this makes me smile! Kevin, myself, Mom, and Frankie send our deepest heartfelt condolences to his family and closest friends. May God surround you all with comfort and strength during this difficult time. Love and hugs to you all!
