“ Travis, Joyce and TJ
I can't even begin to imagine what you are going through but I want you to know that we are praying for you. I went through my pictures this morning and I will make you copies and send them to you. Chase and Amy's last year at Plainview was my first year here. They would always come to my room for candy and I would always have something for them. May God bless and comfort you as only he can do.
