“ John, Kevin and all family members, it is with much grief of heart hearing about your daughter and sister’s passing into a realm we all hope one day to join. Even though I’ve met you both briefly, it was only after reading this that I realized that one of my very favorite friends, Jane Hixson, was your wife, John and your mother, Kevin! I want to talk to you real soon and share my fond memories with you all especially the log house she was raised in, a small world and again so sorry: Mrs. Darlene Gaddy who lives right near you without knowing before who you were! Praying for each of you!

“ To the family I am so sorry for your loss. Cheryl was the sweetest and most caring person I have ever known. She was always there to help no matter the situation or time of day or night. I am not sure she could ever know how much she is loved by all her friends and family. I do know she was so proud of her family and talked about ya'll often. This is still so hard to believe, and I am going to miss her more than I can express. To Isaac, she loved you the most of all. you were her world, and all her dreams were for you to grow up happy and have a full life. Know we her friends will always be there for you no matter what.
