“ Leslie, Mr. & Mrs. Pemberton; I met Chris about 6 years ago when Black Creek Arts Council was doing a fundraising project called CarTrek. I was having difficulty finding someone that could help move cars to various locations throughout the County. Leslie suggested I call Chris. He was a warm hearted jovial person that said, "Sure, I'll be glad to help you with that". When he was finished moving the 20+ fiberglass cars he asked if there was anything else he could do. I call upon him from time to time from locating hunters to cook wild game recipes to even him talking with me about his cooking.

We all share in your loss of this wonderful husband and son. May you find peace in knowing his spirit lives on.

“ Leslie,
So sorry to hear about Chris. He was taken too soon from this world....I have to believe that this was "his time"...God had other plans for him and us. No words can make you feel better...I can only say that over time it becomes more tolerable. We never forget..never want to forget. Our husbands held our hearts and knew us better than ANYONE. Blow kisses to the wind...and know he is in a better place. Grief comes to all in different forms and at different times. I am so terribly sorry for your loss for I truly know what you are going through. You are in my thoughts and prayers.
