

Ms. Christine Vause Kelly

November 22, 1979 - May 4, 2024

Christine Vause Kelly, 44, of Hartsville, South Carolina, entered into eternal rest on May 4, 2024, after a long battle with cancer.

Christine was artistic, funny, and sarcastic and gave love freely. It didn't matter your likes, religion, race, or even your politics; she always found a way to connect with you. When you were with Christine, you knew you were special and loved. To know Christine was to love her! This is especially true of her children, Carlie and Gianna, and her grandson, Kota; they were Christine's world.

Christine is survived by her parents Susan and Vic Vause; daughters Carlie Bell (Keion McDonald) and Gianna Kelly; grandson Kota McDonald; siblings Bonnie (Mike) Rohner, Jason Vause, Ashley (Michael) Piccione; best friends and family Amanda Manolias (Harold Brockington), Toni (Kris) Berry; aunts Madeline Howell, Mary Pacheco, Donna (Rico) Diaz, Lisa Spampinato (Scott Decker), Susan Vause (Lori); uncles Anthony (Kathy) Spampinato, Paul (Ginny) Vause; nephews Griffin Rohner, Zach (Savannah) Hicks, Anthony (Cole) Hicks, Alec Deason, Layten Vause, Brandon Torres, Atom Vause, Justin Piccione; nieces Makayla Wingate, Zoe Rohner, Angelina Deason, Jordan Deason, Lily Gonzalez, Maria Hicks, Shaylee Rohner, Hannah McCathern, Gabriella Hicks, Nicole Piccione; numerous cousins, loved ones, and friends.

Christine was preceded in death by grandparents Buddy and Marilyn Spampinato, Thomas and Lena Vause, Frank and Rose Pavone; biological father Michael Kelly; aunt Barbara Spezzacatena;

In lieu of flowers, please consider donating to the GoFundMe set up for Christine's legal expenses for Carlie's adoption of Gianna. <https://gofund.me/20a1b9cc>

“ I love you aunt Chris. I hope you're as blessed and in bliss as my mother is up there. I'm sorry I wasn't allowed to attend d your service or be named as your niece. You were the best of the family and easiest to get along with. I will cherish many memories and laughs with you. Thanks for letting me sleep under your dream catcher all the time when I was little and for being kind to me most of the time. I'm glad that you were not as hardened or cruel as the others. I would have loved to get to say goodbye to you, I would have if I had been allowed the chance or opportunity or even given the information. Please know I love you and I wish I could have. I will carry you in my heart and pray for the girls and your grandbaby. You're always my family. I won't forget that. I don't care if everyone else does.

“ Christine
Our baby girl has left us & I know it is to a better place. But her daughters are now without a mom. We will try our best as long as our own health is good to be there for them.
There are way too many memories to list here but they are all tucked away in our hearts never to be forgotten.
Especially the day you made me a mom and dad took you under his wing. We love you.

This was written by my nana Susan Kelly Vause.
