“ I have had the pleasure to have known Shad most of his life. He comes by to see me every now and then. Oh how he loved working with metal, he was very talented, I will treasure the work he has done for me! He always greeted me with a smile and a hug, and said Hey Aunt Christy! He was such a loving soul, he was charismatic, charming, and funny! I will surely miss him. Fly high Shad!!! From us on the hill, we love you! I am praying for the family with all I got!
