“ Mike, I was saddened with the news that Clara had lost her battle. We have all of the fun times together to keep her in our hearts. She was one of those people you meet in life that you will never forget, always warm and friendly and somehow always smiling no matter what the news was.
I regret that I'm working in Virginia this week and I will miss the opportunity to speak with you personally, but you should know that Kim and I have you and your family in our thoughts!###imported-begin##Fletcher Biggs###imported-end##

“ Mike,
I am so sorry for your loss. Clara was such a special person, she was always quick with a smile or something witty to say. I always enjoyed it when I would see the two of you. I only hope to have the love that you and Clara shared, she will always hold a special place in my heart. I can't think of Key West without thinking of the two of you, and the stories that the two of you used to tell me. Here's to a good friend!!!##imported-begin##Kathleen "Kat" Bullard##imported-end##
