“ Sorry to hear this. C L was the one who first introduced me to bow hunting. We hunted together at Broad River quite a lot. I owe just about everthing I know about hunting to him. I talked with him recently at Bojangels and had no idea he was sick. God gave me a very speacial friend in 1968 when I went to work at Sonoco. We shared some wonderful times working on hunting stands ect. I thought the world of him and the world just lost a great hunter and friend to all he knew. My prayers are with all of you and I pray his death draws each one he knew closer to God.##imported-begin##Gene Huckabee##imported-end##
