“ Although I have never met many of your family members, I feel as though I know you. I have heard so many wonderful things about you from my best friend, Norma (ordelle). We serve together in the same church in Port Arthur, Texas. Norma was a tower of strength for me whenever my dad passed away; and then when my mother passed away. I know she will be the same for you at this very difficult time in your lives. The Apostle Paul tells us in the Bible that we are to sorrow, but not as those who have no hope. Your loved one left you with that hope; the hope of Glory. He has been set free from the pain and suffering on this earth, and now is living in Heaven with all the loved ones and friends. What a wonderful reunion that surely must have been when your loved one entered into the eternal joys in that blessed land where we will never say, "Goodbye" again. May the comfort that comes from our loving Heavenly Father fill your homes and hearts with His peace, love, and comfort. He sees the hurt you are feeling today. He also sees all the wonderful memories that you shared with your loved one. No one can take those precious memories from you, and I know that these memories will give you strength to see you through. May the Lord bless you today . . . tomorrow . . . and always. This separation is only temporay. We will meet again reunited forever. Ken Hatch

“ *Doris and Family,*

There are really no words in the vocabulary, to describe such a unique man! He was the most loving, kind, and generous human being, I've ever known. Mr. Clyde never saw a need in another person, that he didn't provide a solution for. If it was in his power to do so. I've been thinking of the last time I spoke with him. He and Doris, came by my store in Camden. He was too sick to get out of the car. So, I went out to talk with him in their car. They were stopping to buy something, at a local store near me. He was aware that I knew the owner, and asked me to go describe what he wanted, and get him a price. This was a gift for a young lady, they met through church. He said, she has a gift with music, and I want to help her get started with it. I'm sure she will play beautifully one day, due to his kindness. This is just 1 example, of his love for people! There are way too many to tell. He and Doris both, welcomed me into their hearts and home, the day I met them. I will always remember his love, generosity and wonderful sense of humor! He will live on in our hearts, because of the many cherished memories we all have of him. Much love to ALL the Atkinson's! You are all in my thoughts, and prayers.

“ Aunt Doris
I am praying for you and all the family. I know that Uncle Clyde is having a big time in heaven right now. He is completely healed now and no longer in pain or struggling to breathe. He loved his family and his friends. He always had a way of making everyone laugh. I am sure he is doing the same thing now with our Heavenly Father and all of his family and friends who have gone on before him. He was never one to stand up in church and say much but I will never forget at church he thanked the Lord for one more day. He will truly be missed.

“Doris and family, I am truly sorry to hear about Clyde. There is one thing for sure and that is he is in his mansion in heaven. He's probably talking with God and telling him how much he appreciates his loving wife and wonderful sons and all of his family. It's no story how much Clyde loved his Lord and Savior and how much he loved his family. Please remember all the good times and the not so good times. That is one thing you will have for the rest of your life and no one can take them away from you. Clyde was a good person and will be missed by a lot of people. May God wrap his wonderful arms around you during this time. I will be praying for you and the family. Love and Prayers:
