“ Paige, my heart goes out to you and your family. I lost my sister just over a year ago and although everyone's circumstances are different, I do know some of what you are feeling. There will be alot of hard days ahead, but some good ones too as you remember your times together. I didn't know Connie for very long, but she made such an impression on me. She was always smiling, always patient and always friendly with me. I have nothing but fond memories of her. I will be thinking of you all in the days ahead.

Paige, Scott, Anna Carlin, Gracie, and to the rest of your family, I wish words in general could make it better, but they won't. But, God's words....His promise that he would hold you through times like this are words you can count on. I pray you feel a peace and comfort that can only come from Him.

“ I have so many memories of this sweet person, she was as many have said a angel but myself, she and Trena Mcelveen have a funny story about being Charlies Angels. At graduation we went to Beach together and took a picture on the beach ,yes in bathing suits and called ourself charlies angels. We had the chance to do this again at the last class reunion and of course not in bathing suits but we were still Charlies angels. Even though I didnt get to see her often I will always have a special place in my heart for her friendship and love we shared growing up in Pineridge. I know that she is in heaven rejoicing . To her family I feel like you are apart of my extended family and i grieve for you , but I know that you have God in your heart and that he will be there to hold your hand and make sure you will be okay.
